DETAILS

Lentz & Lentz SAT Prep is offering an eight-session, 24 hour professional NEW SAT prep program at Stonington High School. Our comprehensive, three-hour per session, individualized program is geared to assist bright, average, and underachieving students. Class time is split equally between English and math, covering all facets of the exam.

The verbal part consists of reading comprehension, vocabulary, contextual completions, speed-reading techniques, grammatical skills, optional essay writing, all applicable to the SAT. The mathematical part covers a myriad of problems, including: arithmetical skills, advanced algebra, basic geometry, functions, trigonometry, exponents (including our famous “tip sheet”), and modern mathematic concepts. A course of this nature would cost a great deal more money taken outside the school.

“I am grateful for having taken this course. I got the scores that I needed to apply for a college honors program.”
