

# Stonington Route 1 Corridor

## What The Study Is For

---

- **Establish a shared vision** for the Route 1 corridor
  - Look at what is there today
  - Identify what we would like to have in the future
  - Decide how best to get there

## What Has Been Done To Date

---

- Issue identified / moratorium declared
  - Steering Committee formed
    - Consultants retained
      - **Community meeting held (March)**
        - Workshop meetings / exercises conducted
          - **Community feedback (tonight)**

## What We Want You To Know

---

- **Four types of areas have been identified** along the Route 1 corridor
  - Village core
  - Village fringe
  - Rural
  - Wequetequock
- **There seems to be consensus for three (3) areas**
  - Village core
  - Village fringe
  - Rural

- **Community input is being sought - especially for the fourth area (Wequetequock)**
