Selectmen's Corner

Vision for 2016

One of the most significant events in the Town of Stonington in 2015 was the election of a "tripartisan" Board of Selectmen including Republican First Selectman Rob Simmons, Unaffiliated Selectman Mike Spellman of Pawcatuck and Democrat Selectwoman Kate Rotella of Mystic. At our swearing-in ceremony, we all expressed our interest in working together as a team for the best interests of the Town of Stonington.

So what does that mean? For starters it means working together with the Boards of Education and Finance as well as members of the community to come up with a 2016-2017 Fiscal Year Budget that meets the needs of our children and our town without over burdening the taxpayers. Regarding Freedom of Information, we believe that openness and transparency is the best policy. Our Democracy relies on an informed electorate to make critical

choices and a responsible media that conveys accurate information to concerned citizens.

We believe that good government relies on good people. We pledge to find and retain the best people we can to staff our Town Hall, teach our children, plow our roads and provide public safety. In addition to our elected officials, however, the town also relies on over 100 appointed Members and Alternates on 15 boards or commissions to serve the varied interests of the town. We honor those who serve and welcome others to volunteer for positions posted on our web page. Above all, we wish to instill a philosophy of service to our community. All three of us know the meaning and the practice of public service – in our lives and in our careers. We ask all Town employees, contractors and members of the community to look for ways to help in these difficult times.

We three are honored to serve our wonderful town on the Board of Selectmen. And we look forward to the coming year to improve our town for all who live and work here.

The Tax Office Connection to The Department of Motor Vehicles

With all the bad publicity surrounding the DMV these days, I almost hate to admit that there is a connection between the tax office and the DMV, but there is and it is very real. In some ways, the tax office is happy to have the connection because taxes get paid that might otherwise not; but in other ways, when a person is held up at DMV, many taxpayers blame the tax office.

When motor vehicle taxes are delinquent, the DMV knows it and won't let the taxpayer register a car. How does the DMV know that someone has not paid their taxes? Tax offices are mandated by State statute (Sec. 14-33) to report to the DMV. DMV then flags the delinquent taxpayer who in turn is not

allowed to register a vehicle until the back taxes are cleared up. Conversely, when a taxpayer has paid the delinquent tax, the tax office now has two options to "clear" someone with the DMV. Every afternoon, the tax office does what is called a "take-off", i.e., we upload a file to the DMV of all the people who have paid delinquent taxes that day, and DMV updates its records overnight. In the case of someone who needs to immediately register a vehicle, the new DMV software allows the tax office to clear the taxpayer immediately upon payment. This would allow a taxpayer to be able to register online within minutes of being cleared (if it's a renewal). The DMV no longer accepts our stamp on the back of the registration form or the paper slip saying the taxpayer is clear. In addition, according to the Town of Stonington Tax Ordinance #3, "Any taxpayer shall pay any delinquent taxes by cash, certified bank check, or money order if said taxpayer requires a clearance from the Town of Stonington for the Department of Motor Vehicles."

The bottom line is, to avoid many headaches at the DMV, pay your tax bill in a timely fashion. Don't be the person who waits in line for three hours at the DMV only to be sent away because you owe taxes. That is one sure way to ruin your day.

Town Clerk's Office

Where can you get a marriage license, a dog license, a hunting and fishing license, fill out an absentee ballot application, use the land records and search your ancestry?

The Town Clerk's office!

We perform a wide range of services for a wide range of people. On any given day we have lawyers recording deeds in the land records, title searchers looking through the land records, couples getting married, people applying for all kinds of licenses, and during an election, people can vote by absentee ballot. Working in the Town Clerk's office requires a vast amount of knowledge about a wide array of subjects. I have been Town Clerk for 18 years, but have worked in the Clerk's office for 38 years.

Like the tax office, almost everything we do is dictated by State Statute. We have procedures we must follow and deadlines to which we must adhere. And since the laws are constantly changing, we in the Clerk's office must stay current. We do this through various means of training. Luckily the Town Clerk's Association is very strong and they keep us informed of changes in the State Statutes and advise us on best practices.

All in all, the Town Clerk's office is a very busy place and we look forward to working with the public every day.

Juvenile Diversion Board

The purpose of the Juvenile Diversion Board (JDB) is to provide an alternative to Juvenile Court for juveniles who have committed minor criminal violations in Stonington, and to assist youth who have exhibited problems in the home, school, and community. The goal is to provide a plan for each individual by utilizing community programs, services, and other resources, which will effectively deal with the particular incident, assist in positive development, and encourage responsible behavior.

Family with Service Needs Review Board

Families with children who are engaging in risky behaviors such as running away from home, school truancy, and defiance of family or school rules often rely on state operated programs to help address these problems. The state of Connecticut has defined such children and parents as a Family with Service Needs (FWSN). Beginning in 2005, Connecticut began enacting a series of legislative, policy and procedural changes to address these issues. These changes were grounded in the belief that swift, community-based family services were the best approach for Families with Service Needs. The new approach to at-risk youth and families rejected the use of the justice

system as the first response to FWSN cases. Research demonstrates that these behaviors are strong predictors of continued involvement with juvenile, criminal and child welfare agencies. Therefore, intervening with appropriate services at an early stage is crucial to reducing future involvement with the justice systems. Based on a need in the community, in 2015, Stonington Human Services and the Stonington Public School District, in collaboration with the Stonington Police Department, Juvenile Court and DCF, developed a Family with Service Needs (FWSN) Review Board. The purpose of the Board is to intervene and divert at risk children from entering the court system. The Board recommends diversions that encourage positive, pro-social development, school attendance, family engagement and participation in community-based programs.

Stonington Prevention Council

The mission of the SPC is to permanently change attitudes, laws, and policies to stop substance abuse and establish a safer community. Established in 2001 and comprised of community members representing youth, parents, police, youth-serving organizations, educators, religious organizations, and health care professionals, the SPC works to educate the residents of Stonington in taking a community-approach to support youth in making healthier decisions regarding alcohol & other drug use. Past grant-funded council activities have included breathalyzers purchased for Stonington High School; alcohol establishment compliance checks in Police Department; video presentations and media coverage; school/community educational forums; established tobacco-free parks and recreation areas in Stonington in 2014. Though many resources exist in New London County to assist those individuals and their families that are struggling with addiction, many still report that they do not know where to turn for help. Currently, the SPC is working on developing information

to disseminate to the public (grocery bag flyers, magnets, billboards, etc) promoting local resources available to assist with addiction - with a focus on opiates and heroin.

Prescription Drug Drop Box at the Stonington Police Department

Do you have unused, unwanted or expired medications? In partnership with the Stonington Prevention Council, the Stonington Police Department now has a permanent Prescription Drug Drop Box located in their main lobby. Accepted items: prescriptions (including patches, medications and ointments); over-the-counter medications; vitamins; samples; pet medication. The following items are not accepted: needles/sharps; ointments/lotions/liquids; aerosol cans; inhalers; hydrogen peroxide; thermometers. The box is a free service and no paperwork is required to participate! This past September, in recognition of National Prescription Take Back Day, Stonington Human Services visited our local senior housing facilities to educate residents on the importance of safely disposing unused/expired medications.

Stonington Community Garden

Since the garden's inception in 2010, over 100 Stonington residents have enjoyed harvesting their own organically-grown produce. The annual fee for a 4'x16' plot is \$25. Join our network to learn how to grow your own vegetables, cut food costs and learn about four season square foot gardening. Over this past summer, Stonington Human Services partnered with Stonington High School families to the maintain and harvest the many SHS garden plots, while school was out for the season. The project was a great success - the gardens flourished and fresh produce was provided to residents in need at no cost! Thank you to the families that took ownership of the school gardens this past summer to make this partnership possible.

We would also like to thank the Stonington Community Gardeners for their generous regular produce donations to the "farmer's market," located in the lobby at Human Services.

Social Services

Social Services programs address poverty issues within the Town of Stonington and help to increase self-sufficiency. Services include: Case Management; Energy Assistance Programs; Eviction Prevention / Budgeting Workshops; Budget Coaching; Home Visits for Homebound Residents; Insurance and State Program Applications; Job Coaching; Paperwork Assistance; and the State of CT Renters' Rebate Program.

State of CT Renters' Rebate Program

State law provides a grant program for Connecticut renters who are elderly or totally disabled, and whose incomes do not exceed certain limits. Persons renting an apartment or room, or living in cooperative housing or a mobile home may be eligible for this program. Renters' rebates can be up to \$900 for married couples and \$700 for single persons. The renters' rebate amount is based on a graduated income scale and the amount of rent and utility payments (excluding telephone) made in the calendar year prior to the year in which the renter applies. Applications will be taken between April 1st and October 1st.

United Way Mobile Food Pantry

Serving over 100 local families each month, the United Way's Mobile Food Pantry makes a stop in the Stonington Human Services' parking lot* the first Monday of each month from 5-6 pm. The pantry is set up similar to a farmers' market and has a "no questions asked" policy. Those in need are asked to bring a photo ID when visiting the pantry. Call (860) 535-5015 for more information, or if you have an interest in volunteering. *Please note, the program will take place within Stonington High School from November-April.

Energy Assistance

Stonington Human Services has been a local fuel bank for the last fifteen years, participating with Operation Fuel, TVCCA, and United Way energy assistance grant programs. Income guidelines for TVCCA's programs cap at 60% of the State Median Income (CHAP). A family of four, for example, is eligible if their total gross income is no more than \$63,715.80 (FY16). It is important to note that liquid assets in excess of \$15,000 for home owners (\$12,000 for renters) are treated as annual income. Assistance amounts are based on established guidelines regarding family size and vulnerability. Please be aware of these important dates:

SOCIAL SERVICES ... continued from page 9

Tuesday, March 15, 2016 is the last day you can call for a fuel delivery; Monday, May 2nd is the last day that you can apply to establish eligibility for benefits for the 2015-2016 heating season; Tuesday, May 31st is the last day you can submit bills for deliverable fuel that were incurred between 11/10/2015 and March 15, 2016.

Residents with Eversource "metered" heating services (electric and natural gas) are also eligible for heating assistance. In addition, applicants who have been approved for the TVCCA program (both CEAP & CHAP) are eligible for the Matching Payment programs (MPP) offered by these companies. The program puts those qualified on a budget plan and will match all payments made during the winter heating month (November through April) dollar for dollar in an effort to reduce the customer's balance to zero. Human Services can help with these programs as well as a low-budget worksheet that may reduce the monthly payment even more. MPP begins each year on November 1st and continues through May 2nd..

ALL PAYMENTS MUST BE POSTED BY APRIL 30TH TO QUALIFY FOR THE MATCH. PAYMENTS MADE ON APRIL 30th WILL NOT POST ON THAT DAY, SO BE SURE TO MAKE YOUR FINAL PAYMENT AT LEAST A WEEK BEFORE THE END OF THE MONTH.

TRIAD is a national cooperative effort of law enforcement agencies (police/fire/sheriffs), senior citizens, and senior organizations, focused on reducing crimes against our most vulnerable citizens: our elderly population. This national TRIAD initiative affixes a yellow dot in the car's rear window to alert emergency response personnel to senior drivers' and passengers' medical information stored in the vehicle. Information is also utilized to alert emergency personnel of the senior's family members whose care may be dependent upon the senior, such as a homebound spouse. Call Human Services for an appointment to register or for information on upcoming Yellow Dot events.

File of Life

Store vital medical information on your refrigerator! Emergency personnel are alerted by a magnet on your refrigerator, enabling them to access your medical information, even if you are unable to communicate. File of Life packet magnets are available at Human Services – free to all residents.

Winter blues have you feeling down?

You're not alone. Seasonal affective disorder (SAD) is a type of depression that's related to changes in seasons - SAD begins and ends at about the same times every year. If you're like most people with SAD, your symptoms start in the fall and continue into the winter months, sapping your energy and making you feel moody (www.mayoclinic.org). Stonington Human Services offers free counseling to all Stonington residents. Call for an appointment or for more information.

Need help with light snow shoveling or yard cleanup?

Hire-A-Teen!

The Hire-A-Teen Program matches Stonington residents with students interested in working odd jobs. In order to hire these students, you must first register as an "employer." Be sure to register now before the season's first snow fall! Please keep in mind that this program is appropriate for small jobs only. Payment is left up to the student and resident "employer" to work out.

Medicare Insurance Counseling (CHOICES)

Are you confused about the difference between Medicare Part C (Medicare Advantage Plans) and supplemental insurance plans (Medigap Insurance)? Do you need help navigating through the various CHOICES in plans and services? Would you be interested in knowing if you

are eligible to have your Part B premium (\$104.90/month) paid through the Medicare Savings Program? Did you know that you may be able to get half of your spouse's Social Security and build value in yours while you continue to work past your full retirement age?

First and foremost be careful! Much of the mail you are receiving (if you are approaching retirement age) may look "official," but may actually be advertising. Seniors have reported getting phone calls from people they do not know soliciting "Medicare" programs. Be safe! Contact us for the information you need regarding your Medicare programs.

Human Services has an experienced CHOICES counselor on staff offering personal & confidential appointments for Stonington residents to discuss Medicare options, supplemental insurances, Medigap policies, HMOs, "special help" for Medicare Part D, Medicare Buy-in programs, state pharmaceutical programs, Social Security, and more. Home visits are also available for residents who are homebound.

Medicare Savings Program (MSP)

You may be eligible to have your Medicare Parts B and D premiums paid for you! Medicare Part B, the part of your Medicare that pays your doctor's visits, out-patient testing, etc. costs \$104.90/month. Medicare Part D premiums for your prescription drugs vary depending on the plan you choose. Both are required unless the Medicare beneficiary has creditable coverage through employment, a retirement plan, VA, or other "credible" plan. The State of CT offers a program called the Medicare Savings Program (MSP) that will pay these premiums for income qualified seniors. The income limits for 2015 are \$2413.26/mo for an individual and \$3266.88 for a married couple. The program also guarantees that your prescription drugs will never be more than \$7.40 per prescription (with a generic drugs as low as \$2.95) starting in January 2016 and there is never a "donut hole" or open-enrollment period. Furthermore,

the program offers seniors with monthly incomes under \$2069.91 (\$2802.08 for a married couple) supplemental insurance coverage when participating providers are utilized.

So, where can you apply? Stonington Human Services has the application for this program, as well as trained staff to help. Because it is a "self-declared" program, the application is the only paperwork needed; DSS will check all income through the appropriate state and federal agencies.

More questions? Contact us at Stonington Human Services for more info, an application, or an appointment with a CHOICES counselor, who will explain program guidelines.

Senior & Disabled Transportation for Stonington Residents

The Eastern CT Transportation Consortium, Inc. (ECTC) provides Stonington seniors, age 60+ (and disabled residents, age 18+) with medical transportation. The Town currently funds the Pawcatuck Neighborhood Center to provide senior transportation. These grant funds enhance the current programs and provide Stonington residents with Dial-A-Ride transportation. They also reimburse caregivers for medical mileage expenses for those who have access to a driver. The Dial-A-Ride grant funding provides transportation for residents to medical trips within New London County and Westerly. Transportation is available 24 hours a day, 7 days a week. Please contact Human Services for further information and to register.

Eastern CT Travel Voucher Program

This transportation service provides subsidized taxi, livery or wheelchair accessible rides for residents of eastern CT. Sponsored by the New Freedom Initiative, the program provides an affordable alternative when existing transportation services are not able to meet an individual's needs. Enrolled

participants purchase travel vouchers from ECTC. A book of 10 vouchers, normally costing \$50, cost \$25 through this subsidy program. A maximum of three books per month per enrollee can be purchased. Contact Human Services to obtain an application.

CT Home Care for Elders

This CT Department of Social Services program assists the elderly by providing the support services needed so they may remain in the community, rather than in a long-term care facility. "To be eligible, applicants must be 65 years of age or older, be a CT resident, be at risk of nursing home placement and meet the program's financial eligibility criteria. To be at risk of nursing home placement means that the applicant needs assistance with critical needs such as bathing, dressing, eating, taking medications, toileting. The CHCPE helps eligible clients continue living at home instead of going to a nursing home." (Source: <http://www.ct.gov/dss/cwp/view.asp?a=2353&q=305170>). Call Stonington Human Services for more information or if you'd like to apply for this program.

Stonington REC Sports Tournaments

The battle of Stonington - coming this summer! In honor of the Battle of Stonington during the War of 1812, Stonington Recreation will be hosting a number of Adult and Youth sports tournaments taking full advantage of the facilities at Spellman Park. Watch for details on tournaments held for both kids and adults in Tennis, Softball, Soccer, Basketball, Softball and Lacrosse. On the morning of August 10, 1814, during a lull in the attack by the British on Stonington, Dean Gallup of Stonington, stood upon the shoulders of Jeremiah Holmes and nailed a large American flag to a pole above the battery. It was a banner of defiance that waved until the British sailed away on the afternoon of August 12, unsuccessful in their attempt to vanquish Stonington*. Turning ahead 202 years later, that same spirit will be in full display on the courts and fields with our own version of The Battle of Stonington. Please contact Richard Ward if you are interested in the planning stages of this multi-day tournament scheduled to take place the week of August 7-14 (the actual battle took place Aug 9-14, 1814). rward@stonington-ct.gov.

Basketball Shooting Clinic

Instructed by Tim Sartor. For the serious player who truly wants to learn to shoot. Don't miss this opportunity to get a jump on your offseason development. Despite it being the objective of the game, the art of shooting has declined at all levels of the game. Bad habits, picked up at a young age, need to be replaced with good - and will be the focus of this clinic. Coach Sartor was a 1000 point scorer at both Stonington High and UCONN-Avery Point and received all-state honors along with a D-II scholarship. Players will learn the core principles that every great shot features, and pick up techniques on how to correct minor flaws and simple drills to develop a perfect, effortless and quick shot. The mind set of what it takes to become a great shooter is a learned skill – NOBODY is a natural born shooter. It takes good coaching, hard work and practice – and it all starts here!

MOTOR VEHICLES

Residents have discovered that their vehicles are not registered with the DMV, when they thought they were registered properly. Some reasons are that an emissions test was not conducted; or the test was done late; change of insurance; or that further documentation was required and not received. Many of these issues have occurred to our residents and taken a considerable amount of time to correct. In some cases the police will issue tickets and remove the plates from your vehicle. You may be subject to cash fees to tow the vehicle; loss of the use of the vehicle; and a required appearance in New London court. Some of these issues occurred as a glitch in the new DMV computer program. Please be aware that not all these issues can be addressed by a personal visit to a DMV location. If you have purchased a new vehicle check the vehicle information on the bill of sale to ensure that vehicle identification number, year, make and model has been entered correctly on your registration certificate. The Town of Stonington's town

code number is 137. This number should also match the number on your registration so that Stonington will receive your vehicle for assessment and tax purposes. You may check the status of your registration at the Department of Motor Vehicles website, <http://www.ct.gov/dmv/cwp/view.asp?a=803&q=569496>.
