

## **VEHICLE RECYCLING**

Do you have an old vehicle you would like to donate or dispose of? Here are two worthy tax-deductible options that you can choose:

**WHEELS FOR WISHES** – At no cost to you, you can donate your vehicle to be either recycled or auctioned. Your tax-deductible, charitable donation helps wishes come true for kids.

Wheels for Wishes, a nonprofit that works with MAKE-A-WISH CONNECTICUT to turn old cars into wishes granted for local kids, will tow away old or broken down vehicles.

**CARS TO CURE BREAST CANCER** - accepts donated vehicles and either recycles or auctions them off. Earned proceeds from the sale of the vehicle benefit The Breast Cancer Research Foundation. All donations help to fund breast cancer research so that we can one day see a cure for breast cancer.
