Old Business

Dock Area housekeeping/maintenance – Mr. Grimshaw reported that the Fire Marshall had requested some areas be cleaned up for safety. Apparently there was a fire hazard complaint after a small fire resulting from people fishing at the pier.

Mr. Grimshaw stated that an evacuation drill was planned for later this month using the Fishers Island ferry in case of a Millstone disaster.

Inground fuel tank fees for pressure test done in May 2015. Grounding system/plate failed. Town received report, not SNEFLA. Tomorrow is scheduled day for repairs. Not sure of cost at this time. It is almost 20 years old. Members discussed other options – above ground, etc. Mr. Grimshaw is aware that specs may have changed in 20 years and this is something to look into further.

Donahue Park – Nothing to report – looks good.

Open Space Recreation area – Nothing new to report.

New Business

2016 Meeting Schedule - Members unanimously agreed upon the 2016 schedule of the 2nd Monday of the month at 7:00 p.m. to be held at the Town Dock Meeting room. NO MEETING IN THE MONTH OF AUGUST.

Respectfully submitted,

Ethan Grimes
