## PUBLIC MEETING CAPITAL IMPROVEMENT PROGRAM

A meeting was held on Monday, November 14<sup>th</sup> at the Stonington Town Hall to receive recommendations from the public on items to be included in the Town's Capital Improvement Program.

Chairman Vincent Pacileo called the meeting to order at 10:02 am.

In attendance were: Chairman Vincent Pacileo  
Finance Director Jim Sullivan  
Police Commission Member Bob Tabor  
First Selectman Rob Simmons  
Committee Clerk Jill Senior

Mr. Simmons spoke on behalf of the residents of West Vine and West Arch Streets regarding the West Vine Street Pond.

There have been informal requests to consider clearing the pond of cattails and vegetation to restore it to its former condition to allow proper drainage of storm water discharge in case of flooding. Some work has already been completed, such as a new bulkhead and new PVC piping at the pond.

Presently the work performed at the Pond has been maintenance, this request goes beyond that and would insure that we've improved the drainage to the river and would look at downstream issues if any. This request would require a Swing-Dredge therefore State Permits would be required.

The Highway Department has provided a budgetary estimate of \$60K to perform the work.

Being no further business the meeting was adjourned at 10:22 am.

Respectfully Submitted

Jill A Senior, Clerk
