

## **Stonington Department of Planning Request for Proposals: #2021-008**

### **Comprehensive Zoning Regulation Rewrite**

#### **ADDENDUM #1**

#### **Correction to error in RFP**

**September 23, 2021**

Upon review of the RFP, an inconsistency in the period that a firm shall guarantee their proposed price for services was noted. In No. 3 of section VIII, on page 10, the RFP reads:

“The Selected firm shall guarantee to provide the goods or services at the price of the proposal for a period of not less than **sixty (90)** days from the deadline for submission of proposals.”

This section has been corrected to read:

“The Selected firm shall guarantee to provide the goods or services at the price of the proposal for a period of not less than **sixty (60)** days from the deadline for submission of proposals
