MEETING PROCEDURES

PUBLIC HEARINGS

Public hearings are an opportunity for public participation during the review of a development proposal.

Applicants will make an initial presentation. The public can then speak "in favor," "in opposition," or under "general comments." A signup sheet is located at the main entrance. Participants are not required to sign up, however, the list will be used to organize the order of interested speakers.

Any questions will be addressed as part of the applicant's rebuttal. Once a public hearing has been closed, neither the applicant nor the public can participate in the proceedings.

NEW SUBMITTALS

No action will be taken on these items. New submittals require routing to other town agencies, and in some instances will be scheduled for a public hearing at a later date.

- C. **PZ1732POCD Town of Stonington Planning & Zoning Commission -**
Amendment for the adoption of the Stonington Coastal Resilience Plan as an appendix to the POCD. The plan was recently completed through the Connecticut Department of Housing's Development Block Grant Disaster Relief Program. *PH Scheduled for 3/20/18.*
