 (Behind Stonington High School)

The Stonington Economic Development Commission and the Department of Planning will host a Community Conversation to discuss how our community can do more to leverage our natural assets, with a focus on greenways and corridor-based planning.

Existing assets, ideas for new greenways and whether to create new off-road trails will be discussed. Ideas will be shared on how we, as a community, could improve knowledge, access and greater connectivity of our community through the use of greenway planning.

All input is appreciated as the ideas are further developed. This meeting is not a formal public hearing.
