Old Mystic Fire Station #1  
21 North Stonington Road, Old Mystic, CT

The Stonington Economic Development Commission and the Department of Planning will host a Community Conversation to explore zoning possibilities for the CS-5 Zone in Old Mystic.

The primary focus of this meeting will be on the CS-5 Zone on the Main Street area in Old Mystic. The current zoning in this neighborhood is zoned commercial.

During this meeting, the Town wants to hear what residents and property owners would want to see for changes in the zoning regulations for CS-5; to explore the highest value and best uses for this section of Old Mystic.

All input is appreciated as the ideas are further developed. This meeting is not a formal public hearing.

Dave Hammond, Chairman  
Economic Development Commission
