AGENDA

Special Meeting
Monday, June 26, 2017
6:00 P.M.

Olde Mistick Village Meeting House
27 Coogan Blvd., Mystic, CT

The Stonington Economic Development Commission and the Department of Planning will host a Public Information Meeting to discuss the vision for the "Gateway to Mystic," also known as the Golden Triangle (Exit 90).

This area is zoned as TC-80 (Tourist Commercial) and the Department of Planning has drafted proposed regulations that would allow higher density and more permitted uses such as apartments and offices. Imagine public access to the Mystic River with multi-level restaurants, hotel rooms and apartments over-looking the Mystic River plus water-taxi service with stops at the Seaport and Downtown Mystic.

The Department of Planning, along with EDC, is looking for feedback on whether residents, property owners and business owners think that these changes or others would be beneficial. All input is appreciated as these ideas are further developed.

This meeting is not a formal public hearing. Please contact the Department of Planning at 860-535-5095 or email at dop@stonington-ct.gov for the draft Zoning Regulation and Zoning Map changes.
