MEETING PROCEDURES

PUBLIC HEARINGS

Public hearings are an opportunity for public participation during the review of a development proposal.

Applicants will make an initial presentation. The public can then speak "in favor," "in opposition," or under "general comments." A signup sheet is located at the main entrance. Participants are not required to sign up, however, the list will be used to organize the order of interested speakers.

Any questions will be addressed as part of the applicant's rebuttal. Once a public hearing has been closed, neither the applicant nor the public can participate in the proceedings.
