**[INSTRUCTIONS TO JOIN VIRTUAL MEETING BELOW](#)**

The Stonington Economic Development Commission will host a Virtual Community Conversation to introduce a proposed residential development on the former Campbell Grain property in Downtown Pawcatuck.

Representatives of Winn Companies will provide a presentation using Webex videoconferencing (links and call-in numbers provided below). The Virtual session will run from 5:30-6:30 pm and will include a presentation and opportunities for Q&A.

Following the Virtual presentation, Winn representatives will be on hand at the Pawcatuck Fire Station, 33 Liberty Street, Pawcatuck, CT with charts and storyboards, and to answer questions. Doors open at 6:30, and the session will conclude at 7:30pm.

The informal Q&A session will be held in the truck bays with doors open. Masks must be worn at all times. Social distancing practices must be adhered to. Interested members of the public are free to come and go as they please. State COVID orders restrict indoor gatherings to 25 individuals: please be patient if you encounter a short wait.

This event is sponsored by the Stonington Economic Development Commission and is not a formal public hearing. Contact the Department of Planning at 860.535.5095, or via email at dop@stonington-ct.gov if you have any questions about this program, or need special accommodation.
