The Stonington Economic Development Commission and the Department of Planning hosted a Community Conversation to explore zoning change possibilities for the M-1 Zone in Mystic around Broadway Avenue Ext, across the railroad tracks in Mystic. Public input was sought from residents and property owners in an effort to draft contemporized zoning regulations that realize the highest value and best uses for this section of Mystic, and improve the neighborhood. This was the second such Community Conversation for this zone, the first being held July 25, 2017

- Accepted public input. Note: not all property owners in the zone were present
- The EDC will consider next steps at its November 15, 2017 Regular Meeting

Respectfully submitted,
Dave Hammond, Chairman
Economic Development Commission

Dave Hammond, Chairman
Approved January 17, 2018
