

# PUBLIC INFORMATION MEETINGS

The Connecticut Department of Transportation (CTDOT) has been conducting a legislative study to investigate the feasibility of and market for:

- ▶ **Extending the Shore Line East rail service** to the State of Rhode Island
- ▶ Establishing a **new passenger rail service** from the City of New London to the City of Norwich
- ▶ Establishing a **new passenger train station** in the Town of Groton and Stonington Borough
- ▶ **Extending bus services** in southeastern CT and providing connectivity between such services and rail lines

The Draft Final Report is now available on the study website and the public comment period is open through **October 20, 2023**.

Scan the QR code or visit the website at <https://portal.ct.gov/eastern-ct-rail> for additional information

There will be three Public Meetings to provide an overview of the study findings and offer the opportunity for the public to provide comments.

**In-person venues are ADA accessible and transit accessible**

If you are unable to attend one of the meetings, comments can be emailed to [DOTplanning@ct.gov](mailto:DOTplanning@ct.gov). Please include “*ECRTS Comment*” in the email subject line.
