

TOWN OF STONINGTON, CONNECTICUT

INVITATION TO BID FOR MUNICIPAL SOLID WASTE DISPOSAL BAGS

ITB: #2024-001

ADDENDUM #1

PROPOSER'S QUESTIONS AND ANSWERS

April 18, 2024

1. Would it be possible to provide the Bid Tabulation to the last Bid Proposal. I understand it was 2017, but if there was one released later, please provide the latest.
No, the 2017 bid tabulation has been destroyed.
2. On pages 6 and 7 of ITB#2024-001, the proposal discusses the Contract Term. The fifth line seems to be incomplete. Please explain how "the initial and renewal resin cost will be calculated using the average of..."
The paragraph was indeed cutoff, the full paragraph should have read as follows: Any contract resulting with a vendor as part of this ITB, shall be for a period of two (2) years. If mutually agreed upon by the Town and the Vendor, the Contract may be renewed for two (2) additional years. Upon renewal the price per bag may be adjusted up or down based on resin price fluctuations of 10 percent or more from the initial contract date to the renewal date. The initial and renewal resin cost will be calculated using the average of LLDPE Extrusion liner film for Volumes I and II as reported by Plastics News.
