New Dock is installed and in use.

SPD had a gate installed at the head of the dock. They will be providing "No Trespassing" signage. They are also going to have signs made to keep transients off the dock. Expect SPD boat to be moved there this week.

SPD is going to work with sewage treatment plant to try to get a temporary water supply to the dock.

SPD looking to install a dockbox (or 2). Will be coming from their operating budget.
