Guests: DRA Anwar Hossain, Stonington Police Chief Stewart, Lt. Schneider, Ofc. Paige, Pawcatuck FD Chief/Marshal Kevin Burns, Quiambaug FD Marshal George Brennan, Resident Jean Fiore, BOE Bill King, CES Steve Muckle, Assa Abloy Rick Holsbery and Assa Abloy Susan Greco

1. Meeting called to order at 1000 hours by secretary Julie Holland. Meeting was turned over to DRA Architects representative Anwar Hossain, who explained new security guidelines are in place as of 11/19/15, further stating the importance of all safety and security stakeholders coming together to successfully navigate through this part of design. Mr. Hossain explained future focus group meetings are anticipated to further plan and complete this part of design.
2. Discussion on security issues at West Vine and Deans Mill Schools, including topics by the following consultants:
 - a. CES representative Steve Muckle conducted a discussion on Surveillance systems, current technology, and an overview of what should be considered for video surveillance coverage and equipment.
 - b. Assa Abloy representative Rick Holsbery and Susan Greco conducted a discussion on building access, including different available technology and connectivity, and how the technology works and interfaces with the building.
 - c. Anwar opened up the floor to general discussion as well as a question and answer session. Several items were discussed; by K12 members and guests, including general question on surveillance issues, electronic building access, as well safety and security systems. Several areas of discussion were further explored regarding communication, current technology and how to expand existing technology.
3. Meeting adjourned at 11:08 hours

Julie Holland, Secretary
